Are You Hurricane Ready?

TERMS TO KNOW

Tropical Disturbance

A moving area of thunderstorms in the tropics that maintains its identity for 24 hours or more.

Tropical Depression

Rotary circulation, sustained wind speed 38 miles per hour (33 knots) or less.

Tropical Storm

Distinct rotary circulation, sustained wind speed range of 39-73 miles per hour (34-63 knots).

Hurricane

Pronounced rotary circulation, sustained wind speed of 74 miles per hour (64 knots) or more.

Small Craft Advisory Statement

When a tropical cyclone threatens a coastal area, small craft operators are advised to remain in port or not to venture into the open sea.

Gale Warning

Issued when winds of 39-54 miles per hour (34-47 knots) are expected.

Storm Warning

Issued when winds of 55-73 miles per hour (48-63 knots) are expected.

Hurricane Watch

Issued whenever there is a good possibility of hurricane conditions of damaging winds, surf and flooding rains occurring **anytime within 48 hours**.

This is the time to take action and commence some preparations for your family, business and property.

Hurricane Warning

Issued when there is a high probability of hurricane force winds occurring **anytime within 36 hours**.

It is stressed that in the areas of the island covered by the warning, stay on the alert and complete all safety precautions once warnings are issued.

Flash Flood Watch

Means a flash flood is possible in the area; stay alert.

Flash Flood Warning

Means a flash flood is imminent or occurring; take immediate action.

Tornadoes

Spawned by hurricanes; sometimes produce severe damage and casualties.

Hurricane/Tropical Storm PREPAREDNESS

The time to take action and commence preparations for your family, business, and property is before hurricane hazards affect your area.

Develop a family and business emergency plan.

- Transportation readiness
- Evacuation routes/timing
- Securement of homes, businesses and property
- Care of pets and animals

If you own a boat or small aircraft –

Take actions to safeguard your crafts and complete your actions before damaging surf or winds and flooding rains arrive. **All coastal areas will be closed during the storm and roadways can be blocked by debris without warning.**

Prepare a home survival kit.

You can assume that if a hurricane or tropical storm strikes your area, all utilities will be affected. **Be ready to cope with loss of water, electricity, gas, and telephone services.**

Prepare an evacuation kit.

Know your area. Prepare evacuation plans ahead of time, if your home, business, or other property may be endangered by high surf, flooding, or winds. **Be prepared to evacuate before the danger arrives.**

Who should evacuate?

- Residents along low lying coastal areas: Use tsunami evacuation maps in your phone book as guidelines
- Residents along ridge lines exposed to strong winds.
- Residents in low lying areas subject to flooding
- Residents of wooden frame or other lightly-constructed buildings
- (Evacuation center locations and opening times will be announced on local Hawai'i Island radio stations.)

Stay calm, stay alert, and stay informed.

Listen to official announcements by Hawai'i County Civil Defense and the National Weather Service.

OUTSIDE

Your Home / Business

- Take down canvas awnings or roll them up and lash them with sturdy rope or twine.
- Board up windows using lumber securely fastened.
- Check door locks to assure that they will not blow open.
- Check outdoor items that might blow away or be torn loose. Secure these items as best as possible or take them indoors. Chairs, flower pots, tools, heavy fruits from trees (Coconuts)
- Store chemicals, fertilizers, and other toxic chemicals in a safe section or secure area.

NOTE: You should complete your securement well before the hazards arrive.

Recommended Evacuation Kit (GO BAG)

- **Bedding (Blankets, Sleeping Bags, etc.)**
- **Change of Clothing**
- **Special Medications & Dietary Foods**
- **Important Papers and Documents**
- **Infant Necessities (Formula ,Food, Diapers, etc.**
- **Personal Toilet Articles & Sanitary Items**
- **Nonperishable Snacks for 1-2 days**
- **Portable Radio, Flashlights & batteries**
- **Water- 2 qts per person per day for drinking**
- **PETS, Be sure to provide for your pets, they may not be allowed in the shelter.**
- **If you evacuate, Leave a note for those absent. share: time and date you left with phone #s an idea of where you plan on going.**

INSIDE

Your Home / Business

- Tape glass windows on the inside with large Xs to reduce shattering. Close curtains and blinds for added protection. If boards or tape isn't available, secure blankets to the inside to lessen the hazard of flying glass.
- wedge sliding glass doors with a brace or broom handle to prevent them from being lifted out of the tracks or ripped loose by strong winds.
- Unplug all unnecessary appliances. Shut off gas valves.
- Turn refrigerators and freezers to the coldest setting. Do not open unless necessary. If you have room, freeze water in plastic bottles or zip lock bags to help keep other food cold if power goes out.
- If you are going to evacuate your premises shut off, power, gas and water at the main source.
- Package your valuables such as jewelry, titles, deeds, insurance papers, stocks, bonds, licenses, inventory of home and property (photos) for safekeeping in a water-proof container. Take these with you if you evacuate.

We have added a few ideas from HPP NW

- **Keep Cash ready & more than one credit card.**
 - **Photo copies of important doc. in case you use a safety deposit box and may not be able to access it for several days.**
 - **Paper list of all important contact info. Your phone may not be usable to contact family & insurance Co.**
 - **When hurricane warning is issued, keep all cars filled with gas and don't park under an large trees or in low areas that are prone to flooding.**
 - **Pets are family, keep their ID Chip documents, vet's info, extra leashes, long rope, food, pet carriers, & meds ready.**
 - **Keep a large tarp & rope ready, there are many uses.**
 - **Put spare car & power charges in your Go bag.**
 - **Put recent photos of loved ones and pets in your Go Bag in case you get separated.**
 - **Matches or lighter, candles & some basic camping tools.**
- (We need to remember Puerto Rico's hurricane disaster and our own lava disaster)**
